Please see the representation of Sri A.Rambabu, Ophthalmic Assistant at page 1 c.f. and minutes of the Minister (H&FW) thereon.

Sri A.Ram Babu in his representation has stated that he is working in PHC, Kusumanchi, Khammam district since, 1986. He got meritorious awards ten times from the Ministers and District Collectors and Governors Award from Sri Susil Kumar Shinde for State Level Award in the year March, 2005. Now he is working on deputation in the Office of the Commissioner of Family Welfare, Hyderabad. He is having P.G. Diploma in Applied Dietities and Applied Nutrition from All India Institute of Hygiene and Public Health, Calcutta, P.G Diploma in Health and Family Welfare and Population Education from Chandigarh, Punjab University, P.G. Diploma in Hospital Management, Diploma in Ophthalmology Assistance Course from Kakatiya Medical College, Warangal, Diploma in Community Eye Health from LVPEI Institute, Hyderabad, Certificate course in Food and Nutrition and Diploma in HIV Aids and Family Education.

Further, he is basically M.Sc Zoology and he is working since 21 years as Ophthalmic Assistant and he has no promotional avenues. He is also attending all National Programmes like Malaria & HIV Aids & Nutrition Diabetic and Pulse Polio Immunization and Health Education activities in the Community.

In view of the above, he has requested the Government to kindly consider his case for the post of Senior Entomologist/Lecturer in Entomology as a special case by relaxing the rules if necessary.

The D.H. who was consulted in the matter has informed that Sri A.Ram Babu is working as Ophthalmic Assistant which is not feeder category to the post of Senior Entomologist. The feeder category for the post of Senior Entomologist is Entomological Assistant/Assistant Malaria Officer as per G.O.Ms.No.261, HM & FW (B) Department, dated.28.6.2002. The qualification for the post of Senior Entomologist is M.Sc (Zoology)/B.Sc (Zoology). The individual belongs to Zone V and 5 Assistant Malaria Officers posts are available, all are vacant. No qualified candidate is available for promotion to the post of Assistant Malaria Officer in the Zone.

Further, the cadre strength of Senior Entomologist in Zone V is three post of which only one Senior Entomologist is working in Urban Malaria Scheme on Khammam district and two are vacant. The Senior Entomologist working in UMS, Khammam is going to retire from service on 30.11.2008 F.N. The Senior Entomologist post is a Zonal Post and is the 1<sup>st</sup> level Gazetted Post. The Director of Health is competent authority to fill up the posts. The D,H. has mentioned that the Government is the competent authority to relax rules in favour of Sri A.Ram Babu. He finally requested to take necessary action as deemed fit in the matter.

In this connection it is submitted that according to the rules issued in G.O.Ms.No.261, HM & FW (B1) Department,

dated.128.6.2002 governing the category of Senior Entomologist, the method of recruitment prescribed therein is by (i) Direct Recruitment and by appointment by transfer of Entomological Assistant. The qualification prescribed therein is that one must possess a MSc/B.Sc with Zoology as a subject or Diploma in Public Health of a University in India. Further one must be a probationer and has put in not less than three years in the category from which promotion is made.

As seen from the report of the Director of Health the cadre strength of entomological Assistants (AMO) in Zone V is five and all the posts are vacant and there is no qualified candidates are available for promotion to the post of Entomological Assistants (AMO) in that Zone.

As regards the Senior entomological are concerned there are 3 posts available in Zone V. Out of which 2 posts are vacant.

Sri A. Ram Babu, Ophthalmic Assistant is fully qualified for the post of Senior entomologist i.e. M.Sc. (Zoology) a P.G. (PH) and 21 years of service and he is having service excellency and received meritorious onwards from to District Collectors as well as the Governor of Andhra Pradesh and the President of India. But he is not covered under any of the method of recruitment for the post of Senior entomologist.

In view of the qualifications possessed by Sri A. Ram Babu and long services as ophthalmic Assistant 21 years without any promotional avenues and participating in all National Programmes in the Mandal Level, the Director of Health has recommended to Health Minister to consider his case for the post of Senior Entomologist / lecturers in entomology, as a special case duly relaxing the rules, if necessary.

In the circumstances, a view may be taken on the proposals of the Director of Health to consider appointment of Sri A. Ram

Babu for the post of Senior entomologist / lecturer in entomology, as a special case in relaxation of Rule 3 of the rules issued in G.O.Ms.No.261, HM & FW Dept dated 28.06.2002 as there was none available in the feeder category for promotion of Senior Entomologist. If this is agreed to, General Administration (Ser) Department may be consulted.

May be circulated to Minister (H & FW) for a decision with reference to minutes at page 1 cf.

In view of the above, the file may be submitted for orders on the request of Sri A.Ram Babu, Ophthalmic Assistant to consider his case for the post of Senior Entomologist as a special case.

After orders are passed the file may be circulated to Minister (H&FW) for approval, with reference to the minutes at page 1 c.f.

With reference to the observations of the Principal Secretary page 4 ante, it is submitted that Sri A.Rambabu has filed a representation stating that he is working as Ophthalmic Assistant since 21 years without any promotional avenues. He is having service excellency and received meritorious awards from dignitaries including President of India. He is having (1) PG Diploma in Applied Dictities and Applied Nutrition, (2) PG Diploma in Health and Family Welfare and Reputation Education from Punjab University (3) PG Diploma in Hospital Management (4) Diploma in Ophthalmology Assistance course (5) Diploma in

Community Eye Health (6) Certificate course in Food and Nutrician and (7) Diploma in HIV Aids and Family Education. In view of these qualifications, he has requested for consider his candidatures for the post of Senior Entomologist / Lecturer in Entomology as special case and to release the rules if necessary.

According to the information furnished by the Director of Health, the post of "Senior Entomologist" including Boilologist / Lecturer in Entomology is governed by the Special Rules issued in G.O.Ms.No.26, HM & FW (B1) Dept dated 28.06.2002. According to these Rules, the post has been included under Class -B - Category - 4, and the method of recruitment and qualification prescribed is as follows:

- |                                   |  |
|-----------------------------------|--|
| i) <u>Method of appointment:</u>  | i) By direct recruitment<br>ii) By appointment by transfer of Entomology Assistant   |
| ii) <u>Qualification:</u>         | Must possess a M.Sc/B.Sc with (Zoology) as a subject or Diploma in PH of a University an Indian established or incorporated by or under a Central Act, State Act or a provisional Act or an Institution recognized by the UGC or an equivalent qualifications. |
| iii) <u>Appointing Authority:</u> | Director of Health.  |
| iv) <u>Unit:</u>                  | Zone is the unit of unit of appointment.   |

**Contd/-**

Since Sri A. Rambabu is working in Khammam District, he comes under V Zone and five posts are vacant in this Zone under promotion Quota.

As could be seen from the above, though there are vacancies of the posts of Senior Entomologist / Lecturer in Entomology, to be filled up by promotion, the post of Entomologist is only the feeder category. As such even though, Sri A. Rambabu, possesses the requisite qualification to hold the post of "Senior Entomologist" his candidature cannot be considered since the Ophthalmic Assistant post is not the feeder category to the post of Senior Entomologist. Further the post of Ophthalmic Assistant held by Sri A. Rambabu is lower than that of Entomologist Assistant which is the feeder category to the post of Senior Entomologist.

In the above circumstances, the request of Sri A. Rambabu, Ophthalmic Assistant is not feasible for consideration in view of the Special Rules.

However, if still it needs consideration, in view of non availability of candidates and need for filling up of vacant posts of Senior Entomologist as reported by Director of Health, the remarks of G.A. (Ser.D) Dept may have to be obtained in the first instance.

For orders.

With reference to the orders of Principal Secretary at para 14 ante it is submitted that the proposals at para 12 ante is for relaxation of the Rule 3 of the rules issued in G.O.Ms.No.261 HM & FW Dept dated 28.06.2002 as a special case since there was no qualified persons are available for the post of Senior Entomologist. But no amendment to any rule is proposed.

The file may be resubmitted to Principal Secretary with a request to kindly pass specific orders as to whether he intends to agree with the proposals at para 12 ante in respect of the individual concerned as he is fully qualified to hold the post of Senior Entomologist and is an awardee or intends a general provision to be incorporated in the rules for general applications to many others, so as to take further necessary action in the matter.
